EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William S. Lightbody (Reg. No. 29,557) on 22 June 2005.

2. The application has been amended as follows:

a. In claim 1 line 3 before the words "at least three" the word "and" has been replaced by the words -- , said handle being attached to a pole, --.

b. In claim 12 line 2 after the words "comprising a handle," the words -- said handle being attached to a pole, -- have been added.

c. In claim 13 line 2 after the words "comprising a handle," the words -- said handle being attached to a pole, -- have been added.

Drawings

3. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings submitted 22 January 2004 are informal. Applicant is

advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance: None of the prior art discloses or renders as obvious a cap with a cap integrally joining the outer ends of the wires, wires extending from a handle, and a handle being attached to a pole in addition to the other elements of structure claimed. Astegno, Samuels and Husser lack a handle attached to a pole.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
